Chicago, IL – April 24, 2017 —The **Chicago Burger Company** is celebrating its grand re-opening for the season on May 1, 2017. In the heart of downtown Chicago, running alongside the booming spring and summertime scene of the Chicago River, this prime waterfront setting is the ideal location to enjoy a burger paired with a handcrafted cocktail or craft beer in hand. This season CBC will truly be all fun and games with the addition of a variety of entertaining outside activities. Life-size Jenga or a game of corn hole, anyone? When playing amongst friends, the losing team should undoubtedly pay for the next round.

The Chicago Burger Company is one of the original riverfront venues in the city. This unique waterfront location offers what is arguably the best burger in Chi Town, a summertime cocktail menu including the Lakeshore Lemonade, a variety of local craft beers and an incredible view of the Chicago River.

Open daily from 11 am to 11 pm, this is a perennial favorite spot for after work get-togethers, toasts with friends and family and sun-seekers to enjoy handcrafted, seasonally-inspired libations. The landscaped setting provides the perfect backdrop for enjoying both people and boat watching, and admiring Chicago's world famous architecture. The lounge seating, accentuated with fireside tables that illuminate the night, allows guests to take in the best of Chicago.

New this year will be sharable small plates served from 5:00 pm until closing, in addition to the mouth-watering burger selection. Insider Tip: The CBC Burger is a crowd favorite complete with all the fixings (lettuce, tomato, grilled mushrooms, caramelized onions, cheese, and apple wood bacon).

This dog-friendly venue serves up dog bowls and bones to all of CBC's four-legged visitors. There is also a canine menu featuring beef and rice combos, and other select kibbles and treats.

Located at the Sheraton Grand Chicago, Chicago Burger Company is ideally situated on the Chicago River Esplanade within walking distance of Navy Pier, fabulous Michigan Avenue shopping, Millennium Park, the Loop business district and more, has long been a Windy City favorite based on its location alone.
